

Mr. Anil Srivastava,
CEO, AREVA Renewables

Anil Srivastava is Senior Executive Vice President and CEO of AREVA Renewables. He has more than 20 years of experience with enterprise market leaders, managing key operations across the United States, Asia Pacific, Europe, Middle East and Africa (EMEA) regions. He focused on articulating vision and delivering value of technology applications for enhanced corporate profitability and efficiency. His last assignment was at Tele Atlas (TomTom group) as Executive Vice President responsible for worldwide Sales and Customer Support. Prior to his position, Srivastava worked as Executive Vice President of the Enterprise Solutions division at Alcatel-Lucent. In that position, he led the enterprise sales force, customer support organization and multinational customer program. In 2002, he was Vice President of Sales for the EMEA region for AVAYA (Lucent Technologies). Prior to his position, he successively held key leadership roles in some of the world's leading companies including Hewlett Packard (HP) and Lucent Technologies, making significant contribution to the share values. Srivastava holds a master's degree in engineering from the National Institute of Technology in India and a master's of business administration in finance from the U.S.-based Wharton School of Business.
