

Mr. Anil Terway,
Senior Advisor and Practice Leader (Energy),
Asian Development Bank

Anil Terway is the Senior Advisor and Practice Leader (Energy) in the Regional and Sustainable Development Department of Asian Development Bank (ADB). He leads and supports ADB's energy sector operations under the long-term Strategy 2020. Earlier, he led the energy sector operations in People's Republic of China and Mongolia for 4 years, and has over 9 years of experience in developing and supervising energy projects and programs in east, central and southeast Asia. Mr. Terway also co-chairs ADB's community of practices for energy and the Clean Energy Working Group. He worked in India prior to joining the ADB in 1996; he was in the management consulting team of Pricewaterhouse Coopers for about 2 years; held various positions in the operations of large thermal power stations and corporate planning in power companies for 20 years; and worked in an integrated steel plant for a year. He is an electrical engineer and has a MBA degree.
